

Meeting Announcement: Highway Freight Technology Security Showcase

Date/Time: Tuesday, May 11, 2004, 8:30 AM to 3:30 PM

Location: Argonne National Laboratory
9700 S. Cass Avenue, Argonne, Illinois (Chicago Metro Area)

Cost: \$30 (if registered by April 23, 2004)
(includes buffet lunch and refreshments during the three exhibitor sessions) \$40 (if registered between April 24-April 30, 2004)
(Please note that no fees will be refunded after the registration deadline)

Available on-site lodging: If you would like accommodations on the ANL campus, they can be made at the Argonne Guest House for \$65.00 for a single room and \$75.00 for a double room per night (tax not included) by calling (800) 632-8990. Mention that you will be attending the **“GCM Security Workshop”**. The limited hotel room block will expire on April 30, 2004. Website: (<http://www.aps.anl.gov/travel/anlghhome.html>)

This one-day Highway Freight Technology Security Showcase will bring together transportation professionals and students to discuss highway freight security technology initiatives and projects. All interested transportation professionals and students are welcomed to attend the showcase. The showcase will include a series of presentations of leading-edge freight security related technologies and three exhibitor sessions by organizations to showcase their freight security technology products and initiatives. The showcase is co-sponsored by the Gary-Chicago-Milwaukee Corridor, Illinois DOT, Indiana DOT, Wisconsin DOT, the Federal Highway Administration, the Federal Motor Carrier Safety Administration, Argonne National Laboratory, and ITS Midwest.

A registration form and agenda are included with this announcement. Please note that a deadline of April 30th exists for registering, and that no walk-up registration will be allowed. More information will be sent to you after you register. Updated program details will be posted at the GCM Public Information Center Library:

3. Please indicate whether you plan on arriving on May 10 and staying overnight at the Guest House on the Argonne National Laboratory's Campus.

- Yes, I would like to stay overnight at the Guest House. (Please make your own reservations)

Reservations can be made at the Argonne Guest House for \$65.00 for a single room and \$75.00 for a double room per night (tax not included) by calling (800) 632-8990.

Mention that you will be attending the **“GCM Security Workshop”**. The limited hotel room block will expire on April 30, 2004.

Hotel Website:

<http://www.aps.anl.gov/travel/anlghhome.html>

- No, I will arrive the morning of May 11.

4. Please indicate whether you would like to take a tour of Argonne's Advanced Photon Source (APS) Facility. The APS facility, a large \$1 billion ring accelerator, is the brightest X-ray source in the Americas. It allows researchers to view the finest level of detail in matter such as the motion of atoms and molecules and has led to groundbreaking science.

- Yes, I am interested in taking a tour of the Advanced Photon Source Facility.
- No, I will not be able to take the tour.

5. Are you a U.S. Citizen? (Attendees must gain security clearance to enter Argonne National Laboratory)

- Yes.
- No. Please fill out the enclosed Non-U.S. Citizen Event Registration Form and return it to Brea Grischkat of Argonne National Laboratory no later than 04/09/04 to allow adequate time for approval.

Attendees driving into the facility must receive a security pass at the security gate.

Thank you for your participation.
